

WELCOME Beatle Fans

“A Splendid Time Is Guaranteed for All”

The Beatles Pilgrimage Tour has been delivering the highest quality, most authentic Beatle Tour to include London and Liverpool since 1996. We have delighted many fans over the years and have many pilgrims who have repeated the tour several times.

This document contains VERY IMPORTANT INFORMATION regarding the booking process as well as additional information for The Beatles Pilgrimage Tour. We strongly encourage you to read the entire document before submitting your reservation form.

The Beatles Pilgrimage Tour also referred to as “The Beatles Tour” and “The Tour” throughout this document.

General Tour Information/Requirements

It is **the participant’s responsibility to** ensure you can gain access to and depart from the United Kingdom (UK). You must obtain the proper authorization and travel documents to enter the UK. For example, for US Citizens, you must have a valid US passport with expires no less than six months from your arrival date in the UK.

- The official site for current information regarding entering the UK can be found at Gov.UK <https://www.gov.uk/uk-border-control>
- The official site for current information regarding travel and US Passports is the US Department of State <https://travel.state.gov/content/travel/en/passports.html>

There is moderate walking during the tour. At a few Beatles locations, you must be able to walk, at a casual pace, for ½ mile with limited rest. Additionally, a few sites have approximately 10-15 steps which you must ascend and/or descend as well as uneven (cobblestone) pavement.

If you feel walking may be a challenge for you, please let us know and we will do our best to accommodate you. **We have limited staff support during our tours and cannot dedicate time to an individual fan.**

We ask you limit your baggage to one ‘checked’ i.e. large bag, and one ‘carry on’ bag and one personal carry item i.e., backpack or tote bag. You must be able to carry your baggage on your own for short distances such as from hotel lobby to coach.

We strongly recommend you use luggage with wheels.

1. Tour Documents & Information

The following documents will be sent to you via email prior to the tour. We recommend you download to your phone or tablet or print the documents for reference.

- **The Beatles Pilgrimage Tour 'Travel & Tour Survival Guide'**. This document provides information about travel to the UK and general information about The Beatles Tour and what to expect on the tour. You will receive this document after your deposit is paid.
- **Confirmed Beatles Tour Itinerary**. This document will be emailed to you no later than 30 days prior to the tour's start date and contains, the final, confirmed tour schedule as well as important information specific to your tour dates
- **Menu options** for meals included with the tour package. These are typically sent along with the *Confirmed Beatles Tour Itinerary*.
- **Inbound car service** [from London Airport to London Hotel] form/link will be sent via email. This is an **optional service** that we provide at an additional cost.

2. Air Travel

All Beatle Tour packages are sold as LAND Packages. Flights to and from the UK are **NOT** included in your Land Package.

- **If you book your own flights**, please visit your airline's website for baggage rules - please be sure you are referencing 'international' flights baggage rules as they are much more generous than 'domestic' flight baggage rules.
- **Most flights are overnight, note that you will usually depart your home city the day before the tour starts.** Example... If Beatles Tour start date is June 18, then you will most likely depart late afternoon or evening on June 17th. **Book your flights accordingly!!!**
- **REMEMBER**—Unless you have additional travel planned, book your air travel to **arrive London Heathrow or London Gatwick Airport** and to **depart Manchester Airport** and we will take care of the rest.
- We strongly recommend you depart from Manchester Airport as returning to London from Liverpool for a return flight is extremely difficult to do in one day and frequently requires additional night in hotel and thus expense.

3. Additional Services

Inbound car service from London Heathrow or Gatwick Airports to our Beatle Tour London hotel is optional and available for an additional cost and is listed on the Tour booking form.

Outbound transportation from Liverpool to Manchester Airport on tour departure day is included in your tour package. If you have additional travel plans that include other airports or departure days, transportation service is not included in your tour package.

Extra hotel nights in London. We have a very full Beatles itinerary with little time for additional sightseeing. If you wish to add on a few extra days before the Beatle Tour begins, you can request extra, early arrival nights at our Tour hotel. This can be done on your reservation form in We Travel. Extra nights are subject to availability. Book early, we may be able to save your money.

Please be aware if you book additional days in our Tour hotel, you must book through us to utilize our inbound car service. If you choose another hotel, we cannot provide inbound car service as it becomes unmanageable. For example: the Beatle Tour start date is June 30th, you decide to arrive in London June 27th for extra time in London. You use your reward points and book your first three nights at the Marriott. In this case, we will NOT book your inbound London arrival airport ride to the Marriott.

Conversely, if you book your hotel through us for the early arrival nights [you can do this on the reservation form] you can book your inbound airport transportation at our discounted rate.

4. **Trip Insurance**

WE STRONGLY RECOMMEND TRIP INSURANCE. It is a small price to pay for peace of mind in the event of the UNEXPECTED. We do not endorse any vendor but below are a few that fans have used:
